Compact 3-in-1 mono laser printer

Ideal for busy home and small offices, needing print, copy and scan functionality. This exclusive DCP-B7500D tonerbenefit model, has been designed to combine speed, affordability and ease of use - all in a compact unit. With toner's printing up to 2,000 pages¹, this model is a great choice for high volume* printing.

DCP-B7500D

Key Features:

- Fast print speeds of up to 34 pages per minute
- Automatic 2-sided print
- 250 sheet paper input
- Up to 2,000 Page¹ toner
- 128MB memory

Performance designed for businesses of tomorrow

Save time, copy or scan multi page documents and send directly to email. Scanned documents can also be saved directly to SharePoint and other locations. Combined with print speeds up to 34 pages per minute and the ability to manage different types of paper, you can now create professional looking documents, whether it's an invoice, menu or report.

Maximum value for money

With cost being a key factor for many businesses, we've ensured that the DCP-B7500D is cost-effective. Printing up to 2,000 pages¹, this exclusive tonerbenefit model, enables you to print high volumes*, with the longer lasting toner, reducing the cost of every page you print.

Quiet without compromise

Print quietly without compromising on speed or quality, operating at the lowest decibel in class (under 50dB). The compact, DCP-B7500D is designed to be placed on a desk, next to you, printing while you work.

Designed to go the distance

Built to perform for longer. The DCP-B7500D, has been designed with you in mind. Made from robust and hardwearing materials and supported by outstanding service as standard, providing the peace of mind that your printer will keep on going.
